Below is the list of journal articles, conference proceedings, and conference presentations in SHPRC. All papers on the list can be downloaded as computer files or via a URL or a link on each post. Each post includes a brief description of the paper.

동국대 서베이앤헬스폴리시리서치센터에서 진행된 '서베이방법론' 연구 및 '서베이를 이용한 연구결과들'은 다음 목록에 나와 있는 것과 같은 영문 또는 국문의 '저널 논문', '학회 발표와 프로시딩' 및 '학회 발표'로 세상에 공개되어 왔습니다. 이들 논문은 각 게시판에서 다운로드 받을 수 있도록 컴퓨터 파일로 최대한 제공됩니다. 각 게시판에는 논문에 대한 간략한 설명이 포함됩니다.

Journal Articles, Conference Proceedings, and Conference Presentations
(written or given in English)

Kim, S. W., and Couper, M. P. (2023). "A national RDD smartphone web survey: comparison with a large-scale CAPI survey," *Social Science Computer Review,* First published online, https://doi.org/10.1177/08944393231222675

Kim, S. W., and Couper, M. P. (2021). "Feasibility and quality of a national RDD smartphone web survey: comparison with a cell phone CATI survey," *Social Science Computer Review,* **39(6)**, 1218-1236.

Rhee, M.Y., Kim, J. H., Kim, C. H., Kim, J. H, Lee, J. H., **Kim, S. W.**, Nah, D.Y., Gu, N. Y., Cho, E. J., Sung, K. C., and Hong, K. S. (2021). "Prevalence and characteristics of isolated nocturnal hypertension in the general population," *Korean Journal of Internal Medicine*, **36(5)**, 1126–1133.

Kim, M. K., Kim, M. J., Rhee, M.Y., Kim, K. I., Nah, D.Y., **Kim, S. W.**, Gu, N. Y., Sung, K. C., Hong, K. S., Cho, E. J., and Jo, S. H. (2019). "Dose-response association of 24-hour urine sodium and sodium to potassium ratio with nighttime blood pressure at older ages," *European Journal of Preventive Cardiology*, **26(9)**, 952–960.

Lee, H. N., **Kim, S. W.**, Couper, M. P., and Woo, Y. J. (2019). "Experimental comparison of PC Web, smartphone Web and telephone surveys in the new technology era," *Social Science Computer Review,* **37(2)**, 234-247.

Rhee, M.Y., Jo, S. H., Kim, J. H., Kim, K. I., Nah, D.Y., **Kim, S. W.**, Gu, N. Y., Sung, K. C., Hong, K. S., Cho, E. J., and Lee, S. Y. (2019). "Difference in 24-hour urine sodium excretion between controlled and uncontrolled patients on antihypertensive drug treatment," *Journal of Clinical Hypertension*, **21(8)**, 1057–1062.

Kim, S. W., Woo, Y. J., and Kim, N. H. (2017). "Assuring quality in dual frame RDD national or sub-national surveys using cell phone numbers without area codes in South Korea," Paper presented at *the Joint Statistical Meetings*, Baltimore, Maryland.

Rhee, M. Y., Kim, J. H., Kim, Y. S., Chung, J. W., Bae, J. H., Nah, D. Y., Kim, Y. K., Lee, M. M., Lim, C. Y., Byun, J. E., Park, H. K., Kang, B. W., Kim, J. W., and **Kim, S. W.** (2014). "High sodium intake in women with metabolic syndrome," *Korean Circulation Journal*, **44(1)**, 30-36.

Rhee, M. Y., Kim, J. H., Shin, S. J., Gu, N., Nah, D. Y., Park, J. H., **Kim, S. W.**, Kim, H. J., Oh, K. W., Kim, J. H., and Lee, S. Y. (2017). "Estimating 24-hour urine sodium from multiple spot urine samples," *Journal of Clinical Hypertension*, **19(4)**, 431-438.

Rhee, M. Y., **Kim, S. W.**, Choi, E. H., Kim, J. H., Nah, D. Y., Shin, S. J., and Gu, N. (2016). "Prevalence of masked hypertension: a population-based survey in a large city by using 24-hour ambulatory blood pressure monitoring," *Korean Circulation Journal*, **46(5)**, 681-687.

Rhee, O. J., Rhee, M.Y., Oh, S.W., Shin, S. J., N. Gu, Nah, D.Y., **Kim, S.W.**, and Lee, J. H. (2016). "Effect of sodium intake on renin level: analysis of general population and meta-analysis of randomized controlled trials," *International Journal of Cardiology*, **215**, 120–126.

Kim, S. W., Yoo, W. H., Choi, E. H., Woo, Y. J., Lee, S. Y., and Lee, H. N. (2015). "Reducing unit nonresponse in controlled access situations: an experimental study in South Korea," Paper presented at *the Joint Statistical Meetings*, Seattle, Washington.

Woo, Y. J., **Kim, S. W.**, and Couper, M. P. (2015). "Comparing a cell phone survey and a web survey of university students," *Social Science Computer Review,* **33**, 399-410.

Kim, S. W., Heeringa, S. G., and Solenberger, P. W. (2014). "Optimal solutions in controlled selection problems with two-way stratification," *Survey Methodology,* **40**, 243-263.

Kim, S. W., Kim, E. S., Woo, Y. J., Lee, H. N., and Choi, B. Y. (2014). "Evaluating coverage and accuracy of Census list of households using new IT," Paper presented at *the US-Korea Conference (UKC) on Science, Technology and Entrepreneurship*, San Francisco, California.

Kim, S. W., Traugott, M. W., Kwak, N. J., Choi, E. H., and Lee, H. N. (2014). "Using two-wave dual frame RDD telephone pre-election poll in the 2012 Korean presidential election," Paper presented at *the 67th annual conference of the World Association for Public Opinion Research*, Nice, France.

Choi, E. H., **Kim, S. W.**, Hong, S. J., Lee, S. Y., and Lee, H. N. (2013). "Enhancing administrative cooperation to reduce nonresponse bias in a household survey," Paper presented at *the Annual Conference of the Asian Network for Public Opinion Research*, Seoul, Korea.

Woo, Y. J., **Kim, S. W.**, Park, S. H., Lee, S. E., and Choi, B. Y. (2013). "Advanced area sampling using information and technology in a metropolitan household survey," Paper presented at *the Annual Conference of the Asian Network for Public Opinion Research*, Seoul, Korea.

Rhee, M. Y., Shin, S, J., Park, S. H., and **Kim, S. W.** (2013). "Sodium intake of a city population in Korea estimated by 24-h urine collection method," *European Journal of Clinical Nutrition*, **67**, 875–880.

Choi, E. H., **Kim, S. W.**, Hong, S. J., Lee, S. Y., and Lee, H. N. (2013). "Reducing survey nonresponse through enhanced administrative cooperation: an experience in Korea," Paper presented at *the Joint Statistical Meetings*, Montréal, Québec, Canada.

Woo, Y. J., **Kim, S. W.**, Park, S. H., Lee, S. E., and Choi, B. Y. (2013). "Using new IT for area sampling in a metropolitan household survey," Paper presented at *the Joint Statistical Meetings*, Montréal, Québec, Canada.

Kim, S. W., Lee, S, K., Hong, S. J., and Park, S. H. (2012). "List-assisted RDD sampling in Korea: testing the feasibility of national survey under within-household selection," *International Journal of Public Opinion Research,* **24(1)**, 79-92.

Park, S. H., Lee, G., **Kim, S. W.**, and Lee, S. K. (2012). "A comparison of response patterns between landline and cell phone RDD surveys," Paper presented at *the 65th annual conference of the World Association for Public Opinion Research*, Hong Kong.

Choi, E. H., and **Kim, S. W.** (2012). "Using cell phone for student surveys," Paper presented at *the 65th annual conference of the World Association for Public Opinion Research*, Hong Kong.

Park, Y. S., **Kim, S. W.**, and Choi, O. H. (2012). "Constructing hard to survey index in the Korean Labor Force Survey," Paper presented at *the 65th annual conference of the World Association for Public Opinion Research*, Hong Kong.

Park, S. H., **Kim, S. W.**, Rhee, M. Y., and Shin, S. J. (2012). "Estimation of salt intake using list-assisted RDD sample," Paper presented at *the Joint Statistical Meetings*, San Diego, California.

Hong, S. J., and **Kim, S. W.** (2012). "New model-optimized sampling techniques," Paper presented at *the Joint Statistical Meetings*, San Diego, California.

Kim, S. W., Nam, E. J., and Han Y. S. (2012). "A simple approach to sample allocation for multivariate stratified sampling," Paper presented at *the Joint Statistical Meetings*, San Diego, California.

Woo, Y. J., and **Kim, S. W.** (2012). "Using new IT in area sampling: an experience in Korea," Paper presented at *the Joint Statistical Meetings*, San Diego, California.

Choi, E. H., **Kim, S. W.**, Cho, C. H., and Couper, M. (2011). "Comparing cell phone and Internet coverage in the USA and South Korea," Paper presented at *the Joint Statistical Meetings*, Miami, Florida.

Jung, J. W., Sung, N. J., Park, K. H., **Kim, S. W.**, and Lee, J. H. (2011). Patients' assessment of community primary and non-primary care physicians in Seoul of South Korea, *Korean Journal of Family Medicine*, 32(4), 226-233.

Park, S. H., **Kim, S. W.**, Traugott, M., and Lee, S. K. (2011). "An enhanced approach for solving the overlap problem in dual frame RDD surveys," Paper presented at *the Joint Statistical Meetings*, Miami, Florida.

Woo, Y. J., **Kim, S. W.**, and Couper, M. (2011). "Comparing cell phone and Web for a student survey," Paper presented at *the Joint Statistical Meetings*, Miami, Florida.

Kim, S. W., Traugott, M., Park, S. H., and Lee, S. K. (2011). "Why did the pre-election polls in South Korean local elections go all wrong? : assessing the source of errors using dual-frame landline/cell phone post-election survey," Paper presented at *the 64th annual conference of the World Association for Public Opinion Research*, Amsterdam.

Hong, S. J., Park, S. H., **Kim, S. W.**, Ahn, H. Y., and Heeringa, S. G.,(2009). "Some methods of model-based sampling," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 4593-4606, Washington, DC: Joint Statistical Meetings.

Kim, S. W., Lee, S, K., Hong, S. J., and Park, S. H. (2009). "List-assisted RDD sampling in Korea: testing the feasibility of national surveys," Paper presented at *the 62th annual conference of the World Association for Public Opinion Research*, Lausanne.

Kim, S. W., Heeringa, S. G., Hong, S. J., and Solenberger, P. W. (2008). "Optimized whole sample procedures versus traditional draw-by-draw procedures," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 2825-2828, Denver, Colorado: Joint Statistical Meetings.

Kim, S. W., Heeringa, S. G., and Solenberger, P. W. (2007). "Sample allocation under a population model and stratified inclusion probability proportional to size sampling," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 3061-3068, Salt Lake City, Utah: Joint Statistical Meetings.

Kim, S. W., Heeringa, S. G., and Solenberger, P. W. (2006). "Model-based sampling designs for optimum estimation," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 3245-3252, Seattle, Washington: Joint Statistical Meetings.

Lepkowski, J. M., **Kim, S. W.**, and Steeh, C. (2005). "Dual-frame landline/cellular telephone survey design," presented in the invited session of *the Survey Research Methods Section, American Statistical Association*, Minneapolis, Minnesota: Joint Statistical Meetings.

Kim, S. W., Heeringa, S. G., and Solenberger, P. W. (2005). "An empirical comparison of efficiency between optimization and non-optimization probability sampling of two units from a stratum," in *Proceedings of the Survey Research Methods Section,*

American Statistical Association, 3211-3219, Minneapolis, Minnesota: Joint Statistical Meetings.

Kim, S. W., Heeringa, S. G., and Solenberger, P. W. (2004). "Inclusion probability proportional to size sampling: a nonlinear programming approach to ensure a nonnegative and stable variance estimator," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 3821-3828, Toronto, Canada: Joint Statistical Meetings.

Kim, S. W., Heeringa, S. G., and Solenberger, P. W. (2003). "A probability sampling approach for variance minimization," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 2168-2173, San Francisco, California: Joint Statistical Meetings.

Kim, S. W., Heeringa, S. G., and Solenberger, P. W. (2002). "Optimizing solution sets in two-way controlled selection problems," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 2168-2173, New York City, New York: Joint Statistical Meetings.

Kim, S. W., and Lepkowski, J. M. (2002). "The changes and trends in telephone household coverage," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 1851-1856, New York City, New York: Joint Statistical Meetings.

Kim, S. W., and Lepkowski, J. M. (2002). "Telephone household non-coverage and mobile telephones," in *Proceedings of the Survey Research Methods Section, American Statistical Association*, 1845-1850, St. Petersburg, Florida: American Association for Public Opinion Research.
